

TEAM UEM Enduro Promotion

Selection process for the TEAM UEM Enduro concluded

The Commission in charge for the selection tests of the riders for the UEM Enduro Team Promotion Husqvarna-UFO has defined the composition of the Team for year 2010 in Possagno (Italy) as follows:

Roni Nikander (FIN) E1J-125 cc 2 stroke
Neil Catham (GB) E1J-125 cc 2 stroke
Arne Wiedmann (D) E2J-250 cc 2 stroke.
Reserve rider: Sylvester Jedrzejczyk (PL).

The Commission expressed its appreciation to all participants in the Workshop for the effort shown during the two days held in Possagno and for the interest in this promotional initiative.

The riders that were not selected will be closely followed during the seasons and can rely on the consulting services offered by the professionals that were present during the selection workshop.

The TEAM UEM Enduro project, was started by the UEM in collaboration with Husqvarna and UFO in order to establish a special Enduro Promotion Team composed by young and promising riders and received great interest among European National Motorcycling Federations.

14 FMNs had nominated 23 riders willing to be part of the Team that will participate in the next Enduro European Championship in the E1 Junior and E2+3 Junior classes.
